Good Afternoon Bob...

Last week I sent 2 invoices for payment. (Duckworth reimbursement & professional services). I will be sending several more today, hoping that we can have checks prepared by Monday.

That said, attached are 4 CNSS invoices which seem problematic. We need you to sort them out, making sure we don't pay twice. If additional discussion with CNSS is needed, please pay all other BID invoices and leave CNSS until their issues are resolved.

Thank you.
